## MADELYN'S FUND

Madelyn's Fund supports Neonatal Intensive Care Unit (NICU) patients and their families including those who experience the trauma of infant loss.

When families are faced with spending unexpected time in the NICU, they are forced to take unforeseen time off of work, incur travel costs, pay countless medical bills, and in the worst of cases, bear the expense for their child's funeral. Our goal is to ease the stress they experience through financial assistance, allowing them to focus their time and energy on the well-being of their family.
